Forecast For East of England
Issued by Met Office Exeter
at 0400 on Monday 19 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, sunny and very warm, locally hot inland.

Today:
A mainly dry day with long periods of sunshine once any early cloud burns back to the coast. Low chance of isolated heavy showers in the afternoon. Very warm or locally hot inland, cooler near the coast. Maximum temperature 29 deg C (84 deg F).

Tonight:
Dry through the evening and overnight with much of the region seeing clear skies. An odd fog patch may develop over parts of East Anglia. A very mild night. Minimum temperature 15 deg C (59 deg F).

Tuesday:
Any early fog patches soon clearing, then a mainly dry day, with long periods of sunshine. Isolated heavy showers may develop during the afternoon. Very warm or locally hot. Maximum temperature 28 deg C (82 deg F).

Outlook for Wednesday to Friday:
Mainly dry Wednesday and Thursday with long spells of sunshine, possible afternoon showers mainly in west. Dry Friday with occasionally hazy sunshine. Warm or very warm throughout.
